

UAB 'HALAL CONTROL LITHUANIA'

HALAL CERTIFICATION PROCESS FOR PRODUCT CERTIFICATION ACCORDING TO MS 1500:2019 STANDARD*

1. Submission of Application

- The Client fills in and submits CRAF-1.1 and CRAF-2 forms together with the required documents stated in these forms and the signed pricelist (CRP-2) to info@halalcontrol.lt
- The Client is issued an invoice for the Application registration and review
- The invoice should be paid within **7 calendar days** **

2. Application review

- After the invoice is paid all the processes, ingredients and supporting documents are evaluated
- Additional necessary documents are requested from the Client
- The documents are analysed and evaluated in accordance with **MS 1500:2019 standard's requirements**

3. Onsite audit

- Agreement on the audit date and issuance of an invoice for the audit
- The invoice should be paid within **7 calendar days** **
- Examining whether everything correlates with the information provided in the Application form
- Inspecting whether everything **meets requirements stated in the MS 1500:2019 standard**

4. Audit review

- Audit report with non-conformance details and corrective actions' form is sent to the Client after the certification audit
- All the changes should be made or necessary documents should be provided by the Client **within the stated timeframe**

5. Decision on Halal Certification

- After all the non-conformances are eliminated by the Client and their elimination is confirmed by the representatives of HCL, Halal Certification Committee makes a decision on the issuance of the Halal Certificate

UAB 'HALAL CONTROL LITHUANIA'

6. Agreement

- In a case of the positive Halal Certification decision, an Agreement (CRA-2) outlining the terms of Halal Certification provision and valid for **1 year** is sent to the Client
- The Client is provided with a unique identification number, which needs to be used in the marking of Halal certified products

7. Certification

- The Client is issued an invoice for the Halal certification and monitoring services
- The invoice should be paid within **7 calendar days** **
- After the Agreement is signed and the invoice is paid, a Halal certificate for a period of **1 year** is issued to the Client and the monitoring process begins
- The original Halal Certificate is posted to the Client after receiving of the following original documents: CRAF-1.1, CRP-2 and the CRA-2
- The Client has to upload the copy of the issued Halal Certificate onto its website

8. Constant monitoring

- Regular inspections of a certified company will be carried out during the whole Halal certification period
- The manufacturing process will be carefully controlled to ensure that everything **meets the requirements stated in MS 1500:2019 standard**

9. Certificate renewal

- The Client should submit an application for the renewal of the Halal Certificate to HCL **2 months** prior to the current Halal Certificate expiry date
- In the case of late Application submission HCL cannot guarantee that the renewal process will be completed before the expiration of the valid Halal Certificate

* The Halal Certification process shall be completed within 2 months from the Application registration date, otherwise the Application will be cancelled, the Certification Process will need to be restarted and the Certification fees will need to be paid once again. The fees paid for the provided services will not be refunded;

** All invoices should be paid within the stated timeframe, otherwise the Application will be automatically rejected and the fees paid earlier will not be refunded.
